## INTELLIGENT SAFETY

The Chery Arrizo 8 doesn't just move you, it keeps you in control. Equipped with intelligent rear parking sensors, the Arrizo 8 is designed to help you maneuver confidently in tight spots and busy environments. These advanced sensors detect obstacles behind you in real time, alerting you to potential hazards and making every reverse, park, and turn safer and smoother. Whether you're navigating narrow streets or pulling into a tight space, enjoy stress-free driving backed by smart sensor technology.

## STAY **CENTERED**

Wherever the road takes you, the Chery Arrizo 8 is built to keep you centered and moving forward. Its smart driving technologies support a smoother, safer experience—so you can focus on the journey, not the stress.

With premium comfort, intuitive tech, and road-ready performance, the Arrizo 8 is your companion for driving beyond limits.
